FLOORMATE

THE MOST COMPLETE SOLUTION TO CLEAN HARDFLOOR

FLOORMATE

1

TRIPLE ACTION

Thanks to its triple action, Floormate is ideal for every kind of hard surface.

1) Washes

2) Vacuums

3) Dries

2

WET & DRY CLEANING

Hoover Floormate has been studied for maximum versatility and ease of use. With a simple press on the pedal behind the product, you can select the desired operating mode: suction only to clean the floor before washing, or washing and drying.

3

ROTATING BRUSHES SOFT - TOUCH™

The innovative scrubber with 6 rotating brushes ensure thorough cleaning of all the hard surfaces like marble, ceramics, brick and vinyl. They fit various types of flooring, removing effectively dirt also from the joints of the tiles.
