

# Haier

## ID Titanium Series 6

HMLT7518EWF

- ✓ LED lighting
- ✓ Metal Column
- ✓ Haier Artificial Intelligence
- ✓ Ergonomic Display
- ✓ Customizable Storage Options
- ✓ ABT Pro Technology

### Main Feature

|                   |                           |
|-------------------|---------------------------|
| Model             | HMLT7518EWF               |
| Product Code      | 34901702                  |
| EAN Code          | 6901018092732             |
| Manufacturer      | Haier Smart Home Co. Ltd. |
| Product Type      | Single Door               |
| Technology        | Total No Frost            |
| Product Category  | Refrigerator              |
| Installation type | Built-in / Integrated     |

### Technical characteristics

|               |                                                              |
|---------------|--------------------------------------------------------------|
| Connectivity  | Advanced remote control and extra content (Wi-Fi+BLUETOOTH®) |
| Dedicated app | hOn                                                          |
| My Zone       | Yes                                                          |

|                                              |           |
|----------------------------------------------|-----------|
| Humidity Zone                                | Yes       |
| Dry Zone                                     | Yes       |
| Antioxidant Zone                             | Yes       |
| ABT                                          | Yes       |
| T-ABT                                        | Yes       |
| Fresher Shield                               | Yes       |
| Fresher Sensor                               | Yes       |
| Fresher Pad                                  | No        |
| Fresh Box                                    | Yes       |
| Day Light                                    | Yes       |
| Instant Cool Box                             | No        |
| Auto Ice Maker                               | No        |
| Direct Access drawer                         | Yes       |
| Water dispensing mode                        | None      |
| Ice maker                                    | No        |
| Type of defrosting in the refrigerator       | Automatic |
| Seals                                        | Removable |
| Lighting                                     | Led       |
| Multi-flow column                            | Yes       |
| Internal fan in the refrigerator compartment | Yes       |
| Current (A)                                  | 1.4       |
| Frequency (Hz)                               | 50        |
| Voltage (V)                                  | 220-240   |

## Display

|                                    |                        |
|------------------------------------|------------------------|
| Control panel location             | Internal control panel |
| Control Panel                      | Electronic             |
| Open door indicator - refrigerator | Acoustic               |

|                        |              |
|------------------------|--------------|
| Holiday function       | Yes          |
| Lock function          | Yes          |
| Super Cooling function | Yes          |
| Super Freezing         | Yes          |
| Adjustable temperature | Refrigerator |

## Aesthetics

|                                                              |               |
|--------------------------------------------------------------|---------------|
| Product color:                                               | White         |
| Shelf material                                               | Glass         |
| Bottle shelves                                               | No            |
| Door cover installation system                               | Fixed-mounted |
| Hinge position                                               | Right         |
| Reversible door                                              | Yes           |
| Total number of balconies                                    | 3             |
| Number of drawers in the freezer                             | 0             |
| Number of adjustable shelves in the refrigerator compartment | 3             |

## Performance and Consumption

|                                         |                  |
|-----------------------------------------|------------------|
| Climate class                           | Climate class: N |
| Energy efficiency class                 | E                |
| Annual energy consumption               | 155              |
| Acoustical noise class                  | B                |
| Noise (dBA)                             | 35               |
| Star Rating                             | 1                |
| Total Unit Capacity (L)                 | 278              |
| Total Capacity Unfrozen Compartment (L) | 175              |
| Total Capacity Frozen Compartment (L)   | 103              |

# Dimensions

|                                 |      |
|---------------------------------|------|
| Product height (mm)             | 1772 |
| Product width (mm)              | 558  |
| Product depth (mm)              | 545  |
| Height of packaged product (mm) | 1871 |
| Width of packaged product (mm)  | 603  |
| Depth of packaged product (mm)  | 584  |
| Gross Weight (kg)               | 103  |
| Net Weight (kg)                 | 97   |
