

### **Katana Slicer CF0918**

Cut your favorite deli meats with the Katana slicer. Thanks to its **removable stainless steel disc** with a diameter of 170 mm, you will effectively cut the foods you want, such as cheese, cold cuts, bread, vegetables, and more!

**Adjust the thickness from 0 to 15mm** to get the thickness of the cut you want. It has a folding food tray with a removable base for greater comfort.

**POSITION REGULATOR**  
**170MM DIAMETER DISC**
