- 85L total capacity
- Seven oven functions including Pizza Bake
- Pyrolytic self-cleaning function breaks down food residue for an easy clean

DIMENSIONS

Height	598 mm
Width	596 mm
Depth	565 mm

FEATURES & BENEFITS

Multi-function Flexibility

This built-in oven has seven functions with pre-set temperatures, including Bake, Fan Bake and Pizza Bake, allowing you to use a variety of cooking styles.

Generous capacity

With a generous sized internal cavity of 85L total capacity, you can create several dishes at once using multiple shelves.

Consistently hot

Ideal for multi-shelf cooking, this built-in oven features AeroTech™ - a technology that circulates heat evenly.

Pyrolytic self-cleaning

Pyrolytic self-clean breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Refined styling

With sophisticated handle styling and black glass finish, our built-in ovens are designed to match the rest of Fisher & Paykel's kitchen appliance family.

Safe and sound

The CoolTouch door of this built-in oven is safe to touch from the outside. Sturdy, fully extendable shelves slide all the way out, reducing the need for you to reach inside.

SPECIFICATIONS
