

Ottawa metal stand fan 3 in 1

The **Ottawa 3-in-1 floor fan** (floor, table or wall fan), adapts to the needs of all environments, is **versatile, powerful and unique** .

With black and gray finishes, it offers a note of **elegance** in the space in which it is located.

Choose its position: standing to provide the perfect freshness in large rooms, **on the floor** to promote airflow in the lower areas of the room or placed **on the wall** to ensure proper air circulation in the room.

Its **3 metal blades** are capable of generating a perfect air flow to keep us cool.

Choose between its **3 speeds** to achieve a greater or lesser intensity of the air flow of this industrial fan.

Direct it to the place you want thanks to its **swiveling and tilting head**.
