

HOOVER IRON

MODEL: TIF2600

| | MODEL DESCRIPTION | TIF2600 011 |
|--------------------------|---------------------------|--------------------|
| PRODUCT INFO | Product Number | 39600151 |
| | EAN Number | 8016361887480 |
| | Colour | Dunure Blu |
| PERFORMANCE AND FEATURES | Air Flow Technology | • |
| | Maximum Power (W) | 2600 W |
| | Steam Emission (g/min.) | 45 g/min. |
| | Turbo Steam Emission (gr) | 190 gr |
| | Iron Type | Ceramic |
| | Anty Drip System | • |
| | Self Clean | • |
| | Anti Calc & Auto shut off | • |
| | Variable Steam | • |
| | Cord Storage | • |
| Steam Regulator | 4 shifts | |
| WEIGHTS AND PACKAGING | Packaging Dimensions (mm) | 365 x 160 x 190 mm |
| | Product Net Weight (kg) | 1.7 kg |
| | Packed Weight (kg) | 2.3 kg |
| | Product Dimmensions (mm) | 336 x 139 x 161 mm |

AIR FLOW TECHNOLOGY*

The air is sucked from the environment thanks to the fan positioned at the back of the iron. Fresh air comes out from some holes positioned above the skirt and around the handle.

COOL COMFORT

The unique design utilises a fan to blow air out from the handle and skirt of the iron.

CERAMIC SOLEPLATE

High quality ceramic coating to guarantee a better sliding on the textile.
